## CUSTOMER'S ACKNOWLEDGMENT AND AGREEMENT REGARDING **HIGH PRESSURE** WATER SERVICE

I (We) the undersigned, (Insert Name Here) , have applied to Pennichuck East Utility, Inc. ("Pennichuck") for water service at (Insert Address Here) acquired by us, by deed dated and recorded at Hillsborough County Registry of Deeds, Volume 6484, Page 1192.

I (We) understand that Pennichuck's tariff for Water Service as approved by the New Hampshire Public Utilities Commission in addition to the most current version of the National BOCA code requires that Pennichuck maintain a normal maximum operating pressure below 80 psig at the service entrance, before the meter under no flow conditions and;

I (We) understand that PUC 604.04 provides that in systems of widely varying elevations a utility may undertake to furnish a service which does not comply with the foregoing pressure and pressure variation specifications if the customer is fully advised of the conditions under which average service may be expected, and the customer's agreement secured in writing. Such agreement shall be binding on all future customers served at the same location under similar circumstances.

Finally, I (We) have been informed that the average water pressure for water service at (Insert Address Here) will be greater than the maximum pressure of 80 psig stipulated above.

I (We) hereby acknowledge and agree, in consideration for Pennichuck's rendering water service to me (us), that

- (I) Due to widely varying elevations in the Pennichuck distribution system and /or related pressure fluctuations during peak seasonal demand periods at and around the above location, the service furnished by Pennichuck may not comply with the foregoing specifications;
- (II) Service will be accepted in behalf of myself (ourselves), my (our) successors, heirs and assigns, notwithstanding the foregoing **high** operating pressures;
- (III) This form may, in the sole discretion of Pennichuck, be placed on record at the Hillsborough County Registry of Deeds.
- (IV) I (We) hereby waive and release all rights of action and claims for damage, injury or other loss which I (We) may now have or in the future have against Pennichuck as a result of said **high** operating pressures.
- (V) I (We) hereby agree to install a pressure reducing valve in accordance with the most current version of the National BOCA Code and/or Pennichuck's tariff.
