**OUTDOOR WATERING RESTRICTION:
OUTDOOR WATER USAGE IS ALLOWED
ON AN ODD/EVEN DAY BASIS**

Effective Friday, August 14, 2020, due to the state's current and projected drought conditions, Pennichuck implemented mandatory odd/even outside water usage restrictions for all of its customers in Nashua, Merrimack, Amherst and Hollis until further notice. This is a mandatory, enforceable restriction for Pennichuck customers living in these communities. Please note that this mandatory restriction will be monitored and enforced as follows:

1. First time violators will receive a written warning for non-compliance.
2. Additional violations will result in disconnection and a fee for reconnection. The Company will only reconnect until 7:00 PM on the day of disconnect. Customers that call to be reconnected after 7:00 PM will be reconnected after 7:30 AM the next day.

The restriction is as follows:

**OUTSIDE WATER USAGE IS ALLOWED
ON ODD/EVEN DAY BASED ON HOUSE NUMBER AND DATE**

If your address is an Even #, you'll be able to water on Even # Days

If your address is an Odd #, you'll be able to water on Odd # Days

Please be advised that the ODD/EVEN outside water use restriction will be enforced and will remain in effect until further notice. The use of hand-held hoses or watering cans will be permitted to water in your vegetable and flower gardens on any day, and filling Kiddie Pools (6' or less in diameter and no deeper than 12") is permitted any day. All other outside water use is **only** allowed on assigned days as indicated above.

Overuse and outside watering on the incorrect days could force Pennichuck to impose further restrictions on outside water usage.

For more information please visit our website at www.pennichuck.com or call Customer Service at 800-553-5191. Thank you for your cooperation.
